Black and White Version

Redeeming the instant gift certificate in advance of providing a service will ensure that you avoid any redemption difficulties. SpaFinder cannot issue payment for invalid instant gift certificates, should you not follow the new redemption policy. Instant gift certificates will most likely be printed on 8.5" X 11" paper, but the size and color may vary according to the printer or paper used. The instant gift certificates may also be printed in black and white.

### Redeem By Phone

- 1.) Call 877-803-0684
- 2.) Enter your spa ID #
- 3.) Enter instant gift Certificate number and face value

### Redeem Online

- 1.) Login to your account at [www.spafinder.com/redeem](http://www.spafinder.com/redeem)
- 2.) Enter your user name and password
- 3.) Enter instant gift certificate number and face value

Please retain copies of all the redeemed instant gift certificates for at least six months. You may accept all forms of SpaFinder cards and certificates for accommodations, services, and products; a SpaFinder marketing fee will be deducted from the total.
